Gunforce GAR®

NEW FEATURES & CAPABILITIES

Reconfigurable for M2 or M240
Integral Naval Flowerpot Mount
Removable Ammo Cans
Adjustable Az/EI Travel Stops
Built-in Encoders
Zeroing Set Pins

ACME's new Gun Active Recoil (GAR®) provides new features and capabilities to improve the replica weapon training experience. The new GAR® still includes ACME's patented, all-electric recoil system that provides, full-force, full-rate-of-fire recoil.

PATENT #: 8690575, 9175922, 9568268, 10001338
